

[illegible]

A diagram showing a 10x10 grid of squares. The grid is composed of 10 columns and 10 rows. Three horizontal red lines are drawn across the grid, intersecting all 10 columns. The lines are positioned at the top, middle, and bottom of the grid, dividing it into four horizontal sections. The top section is 2 rows high, the middle section is 4 rows high, and the bottom section is 4 rows high. The red lines are drawn at the boundaries of the rows, specifically between the 2nd and 3rd rows, the 6th and 7th rows, and the 9th and 10th rows.

A diagram of a two-story building with a red diagonal line across it, indicating a structural failure or collapse.
